

GLOBAL SUPPLIER OF CUSTOM MARINE PACKAGES

www.stewartandstevenson.com

Stewart & Stevenson is a global supplier of custom marine packages for pleasurecraft and commercial vessels. To meet the specific propulsion and power generation requirements of any type vessel, our power packages can be configured with single or multiple engines.

OUR MARINE POWER PACKAGES FEATURE:

- MTU Series 60, Series 2000 and Series 4000 engines that provide from 350 to 5765 horsepower
- EMD Series 710 marine engines that offer 2000 to 5000 continuous horsepower at 900 rpm.
- C1D1-60 Hazardous Environment Barge Pump Power Unit
- Northern Lights marine generators in power ranges from 5 to 175 kilowatts

Aftermarket service and support, a 100-plus year tradition at Stewart & Stevenson, is available worldwide for every engine we sell. For a custom marine package, engines, parts and service, contact the Stewart & Stevenson location near you.
